69 HOT SEX TIPS

Exciting ideas to put some passion in your pleasure

The very best lovers are imaginative lovers who are always willing to experiment and try new things. Here's a hot list of 69 horny little things you just might want to try, to put the passion back in your sex life—and keep it there!

1. She puts ice cubes in her mouth and sucks your cock—or champagne or wine. You return the favor on her pussy.
2. He buys French ticklers and tries them out on you. You buy one of those creams that delay his orgasm, and rub it on him.
3. She masturbates in front of you, plunging her fingers in and out of her pussy, and when it's good and wet she licks her fingers clean.
4. You set up a mirror next to the bed so she can watch you fuck her. Then you trade positions.
5. She makes an obscene telephone call to you at the office during lunch hour and stays on the line until you come.
6. You and your partner go to a party or a club to dance. You grind your hips together and whisper sweet, dirty little nothings about exactly what you're going to do to each other when you're alone at home... or in the car in the parking lot. He makes sure you feel his hard-on.
7. She forgets her panties and plays with herself in the car while you're driving somewhere.
8. He sends you a single red rose with a very obscene and detailed letter about what he'd like to do the next time he fucks you.
9. You give him a massage with scented, flavored oil that heats up when you blow on it. Then you lick it off.
10. You walk in and catch her napping and tie her loosely to the bed with her scarves and then proceed to take every possible advantage of her helplessness.
11. He reads the very erotic and stimulating Story of O to you as you're tied to the bed.
12. She does the same to you.
13. You cut out a bra and panties to leave your nipples and pussy pushing through—and let him accidentally discover your "improvements" for himself.
14. He asks you to use your vibrator on him—and

One of our faves: #24. He whispers "I want to eat out your pussy and then fuck you for an hour straight" while visiting your mother's house.

then returns the favor whenever you choose.

15. You suck on his nipples.

16. You snip off some of your pubic hair, wrap it in a red ribbon and give it to him as a keepsake for his wallet.

17. You let him watch you shave off the rest of your pussy hair and then dress in little girl's clothing for him.

18. She licks your cock while you're watching your favorite sport on television... and then she swallows your cum.

19. You put a cherry in her cunt and suck it out.

20. You greet him at the door after work, dressed like a harem girl or a whore.

21. He brings a porno flick over to watch—and then act out.

22. You spread honey (or chocolate syrup or whipped cream or strawberry preserves) over her tits and then lick it all off... very slowly.

23. You put on a sexy record and then strip for him and put on a show.

24. He whispers "I want to eat out your pussy and then fuck you for an hour straight" while visiting your mother's house.

25. She whispers her hottest, most erotic sexual fantasy into your ear at a restaurant, and then you go home and act it out.

26. You "catch" her masturbating and watch her come.

27. He lets you "catch" him masturbating and then watch him come.

28. She gives you a sexy woman for the night as a birthday gift (and if you're adventurous, you'll join in for a threesome).

29. He has a well-hung male surprise for your birthday.

30. He buys you super-sexy under wear, a garter belt and black stockings.

31. She buys you a cock ring.

32. You wake her up by going down on her and then serving her breakfast in bed on a tray.

Another one of our favorites: #47. You draw her a bath, bathe her, dry her and then cover her body with perfumed oils.

33. She gives you a close shave by wearing only her perfume.
34. She plays with her breasts and sucks them while you watch.
35. You go to a restaurant and jerk him off under the table while you both act as if nothing unusual is happening.
36. He plays with each breast and nipple for at least an hour while you lie there.
37. You suck on his cock for not one orgasm, but two, or until he begs you to stop.
38. He uses a small, slim vibrator on your pussy and anus, and a larger one on your nipples.
39. She turns her back at a party and exposes her breast to you. Or she does it in a cab.
40. He drives you to work with his finger in your pussy.
41. Take a drive, and you get down in his lap, giving him head.
42. He holds a vibrator or dildo in your pussy while he fucks you in the ass.

43. You suck his cock while you hold a vibrator up his ass.
44. He undresses you and makes love to you while he remains fully clothed, his hard dick fucking your pussy through his unzipped fly.
45. She hides a note in your pocket that says "IOU one blowjob." You collect when you get home.
46. You lick her entire naked body, starting with her toes, circling around her hips, up to her earlobes, back down around her nipples and finally coming home.
47. You draw her a bath, bathe her, dry her and then cover her body with perfumed oils.
48. She licks your cock with loud slurping sounds.
49. He offers himself as your sexual slave for one night to fulfill your every whim.
50. She goes to a drive-in with you and gives you a blowjob in the backseat.
51. He smears oil on your breasts and then fucks between them.

Definitely another favorite: #61. You get up on the bed and stand over him and make him eat your pussy out until you're totally satisfied.

- 52. He puts a doughnut on his hard-on and you eat it off.
- 53. She serves you dinner on her hands and knees and sits at your feet as you eat.
- 54. She goes to your office and makes love to you on the floor.
- 55. You go to her office at lunchtime and expose yourself to her, and then you follow her into the women's room.
- 56. You accidentally touch her breasts again and again while you're in a crowd.
- 57. You go to the beach together and she lets her top fall down in public.
- 58. He slips his finger in your ass while he's kissing you.
- 59. He gives you a bubble bath and brings you off in the tub.
- 60. You give him a back rub and then a front rub, for as long as he wants you to.
- 61. You get up on the bed and stand over him and

- make him eat your pussy out until you're totally satisfied.
- 62. He takes you to a motel in the middle of the night and bangs you until the sun rises.
- 63. You screw together in your backyard in the middle of the afternoon.
- 64. He straps on a penis extender and makes love to you.
- 65. You suck on his balls and tongue his ass while massaging his cock.
- 66. Fuck in your bedroom with the lights on—and the shades up!
- 67. Spend one night on the couch, watching television and necking like teenagers—and not going all the way.
- 68. Fuck in a different room and in a different position every night.
- 69. Fuck for hours and hours until you are both so satisfied that neither one of you could even imagine doing it again.

– Now, go get 'er done!

JILL KASSIDY

Jill can't wait to see her man again, she's not even wearing panties in anticipation for him. As he comes through the door she greets him with a warm, wet mouth to rest his cock inside. She sucks him off vigorously before her nakedness needs to be peeled off him and bent over the table. Her moans fill the room as her pussy lips are spread and licked by his thick tongue.

REGAN REESE & NIKKI RHODES

Literally playing with cherries can lead to quite the sweet and sticky predicament, but Nikki and Regan are more than happy to clean each other up using nothing but their mouths. Their delicious titties are exponentially better covered with the sticky red juice. Slowly the cherries work their way down to where cherry meets pussy and the ladies indulge themselves in a festive fruity feast.

DON'T YOU WANT A TASTE?

MOUTHS AND PUSSIES AND COCKS, OH MY!

MISSIONARY

I'm a private person most of the time. I don't usually answer my phone unless I know the caller, rarely go out, and seldom respond to the door. I have one of those bodies that men typically don't leave me alone, and after a few tumultuous years in my 20s, it started to wear on me. Still, I like my body: tall, with textured blonde hair and smoldering bright eyes. I have smooth, just-tanned flesh that is often described as flawless.

What changed that day late last year? I'm not sure, but whatever power compelled me to answer the door can perhaps be best described as divine. He was well groomed, young, maybe late teen or early 20s, and wearing a missionary's clean and tight white shirt. I haven't been religious since I was a child, but I opened the door for this boy to see what he wanted.

The conversation started as you

might expect; casual discussion with him trying to sell me on the word. But then, it started twisting and turning, and somehow, the conversation moved to the propriety of sex outside of marriage. He was good, giving all the proper references and telling me what the word said.

But he had a tell in the bulge growing in his tight pants. I let him go for a while, wondering if he would start showing other signs, and as I let my light robe slip on my shoulder, he finally gulped and tried to excuse himself. Instead, I invited him inside.

The downside of avoiding men for so long is that I avoided my satisfaction. The missionary, though, wasn't clamoring for me, but he found me attractive (or, at least, his cock did), and I felt like I could take him to school for some new learning. I led him to the couch, where the loose tie holding my robe together seemed to slip, exposing my smooth midriff and my boobs hid-

den behind a black lace bra.

He tried. He pretended he wasn't seeing what I was giving him. He tried to pretend that he didn't realize he was turned on. He continued to quote scripture until I reached out with my foot to rub his crotch and showed him what he desperately wanted was right there. I stroked him several times before he finally gave in and turned toward me.

I was surprised by how quick he was once the tension snapped; in a flash, he was on top of me, lips locked in mine as his hand fumbled to find my bra clasp. He was trembling but released and free. I urged him on, and when he released my boobs, he leaned back and admired them. I threw them out, letting the perky nipples entice him.

I felt him moan more than I heard it. His crotch was shaking as he played with my pillows, fluffing, pinching, and sucking at them. I let him take his time, enjoying the

attention of someone who wasn't expecting to give it. I felt his innocence clash with an experience that seemed to come from another life somewhere.

Eventually, he let his hands explore beyond my tits, drifting downward toward the short shorts that protected my crotch. He found my neatly trimmed bush, running his fingers through it while always moving downward, ever lower toward my hungry pussy. I gave him a look and a nod.

He looked unsure if he should believe his luck, but he took the sign and let his fingers slide inside to moans of pleasure. I grabbed his wrist and pulled him further inside, deeper, and then back out a few times. His face was priceless, but nothing to how he looked as he stripped himself and pulled out his long, groomed cock. I caught his eye as he hesitated just outside of his target.

Then, laughing, I grabbed his ass and pulled him inside. And once he was in that old life, the ex-

perience he'd had and tried to subdue jumped in. He couldn't hide it anymore, and the look in his eyes didn't want to. He slid into me with an intense force of a young man who'd been held back. I pushed him, called to him, and eventually screamed as he unloaded his youth in me. A few loads inside before he pulled out and continued to spray all over my chest.

He stayed with me for another round that afternoon, and we arranged that he'd come by once a week or so for a...discussion of the word.

SHOW TIME

My wife, Lauren, and I love reading your magazine in bed. It's such a turn on to find her lying in our bed, her fingers gliding over her swollen clit while she reads the stories or looks at the hot pictorials. She says that watching one woman doing another, or people having a threesome arouses her, even though she says she's still not quite ready to

try any of it yet.

The other night we were leaving a downtown club together and I told her I would like her to see a gentlemen's club. With this unbelievable smile she said, "Oh, you mean a strip club?" I smiled back, nodded and took her hand. We walked a couple blocks down the street and around the corner was a blinking marquee announcing they had the hottest and most naked girls in town.

I told Lauren that I had heard this club is kind of a throw back to the peep shows of the sixties. After we got in, I went to the bar and asked for a handful of tokens for the booths. We headed back through the club, occasionally accosted by topless dancers.

She loves hard-core porn, so nothing's shocked her, but I realize that she didn't know where there were live strippers available. We piled into one of the tiny dark rooms and immediately joked about the sticky floor. We sat in a small bench and slid our tongues

together just to warm up.

I inserted a couple of the tokens into the slot and a curtain opened up across a three by four foot window. On the other side we saw naked women busy stroking their boobs or spreading their pink pussy lips in front of other windows.

Lauren whispered that she expected a porno, but seemed to enjoy what she saw. As she commented on the body of each woman, I slid my hands inside her top to caress her small but perfectly shaped boobs. We watched for about five minutes when the curtain closed abruptly.

When Lauren asked for more tokens, I knew she would be game for anything. My hands found her moist pussy, which by now was dripping wet. She put in a couple more coins and while I fondled her, the curtains opened again and a nasty little blonde came over to spread out directly in front of our window.

Lauren leaned back and she replaced my hands with hers, and she began to masturbate as furiously as her jeans would allow. As the stripper came closer to the window, she saw Lauren and we heard her say thru the glass, "I see you brought your own."

As the little blonde spread her pussy lips wide and began to really work her own clit, my wife did the same, moaning loudly as her first orgasm rocked her. I've never seen her come fast. With the stripper sticking her pussy against the glass, right in front of my face, my wife worked on her second orgasm.

Watching all this so close and up front, what's a guy to do? I pulled out my hard-on and stroked it to full erection. I ignored the person pounding on the door and slid my cock between Lauren's luscious lips. She was stroking my shaft to give me her usual great blow job. As the curtain came down on our last token, she came again. Her moans changed slightly as she

began swallowing the load that I pumped into her hot mouth.

There is no stickiness to add to this floor tonight as she swallowed every drop. After catching our breath, we buttoned up and left the booth. No one seemed to notice a thing. Walking to the car, she admitted that she had never come that easy or that fast in her life. It was the nastiness of the place that did it, she said. We agreed that next time she wouldn't wear any underwear and a loose skirt so we could fuck right there in the booth while the strippers watch us perform for them.

Who knows, maybe they'll tip us. I know we'd put on a great show.

Working as a lifeguard is great for a summer job. You have a reason to get a killer tan, most days are pretty easy going, and you get your pick of cute boys to take behind the office after closing time. When Weston stopped by today with a massive bulge in his shorts, Anastasia immediately knew where she wanted him, and how. She led him to a shady spot where they could fuck and slipped him inside her.
